Step 1: Take a Trial Class (\$10)

- If your child is new to the sport of gymnastics, coming from another facility, or they've taken a break and are looking to come back, we require a trial class to be completed.
- The coach will evaluate your child's skill level, strength, flexibility, and listening skills to determine which class they should register for.
- The \$10 trial is non-refundable; however, if you register for classes the trial becomes free and the \$10 goes towards your annual membership fee.

Step 2: Become a Member!

- In order to register for instructional classes, camp, or other selected activities- you must pay an ANNUAL MEMBERSHIP.
 - \$60 Individual Membership (1st child & 2nd Child)
 - \$150 Family Membership (3+ children)
- This membership includes discounts for birthday parties, special events, and a T-Shirt for each child! This membership covers you 1 year from the date it was paid. (Example: July 1, 2022 to July 1, 2023).

Step 3: Register for your Class!

- All classes are filled on a 1st come 1st serve basis, with currently enrolled students receiving priority registration.
- In order to keep a low student to instructor ratio, we only allow 1 make-up class, per month. You cannot schedule a makeup class until the class has been missed. All make-ups must be scheduled within 30 days of the missed class, but are not guaranteed.
- A 30 day written notice is required to stop classes. If you notify us in the middle of the month, your tuition will be prorated for the last month. (Ex: If a drop is requested on 9/22, your child will be enrolled through 10/22 and you will be charged only for those 3 classes in October.)

Monthly Class Tuition 2022-2023

Monthly tuition is billed on the 1st of the month based on the calendar. As an example, if you come on Saturdays then we will charge you for the number of Saturdays in the month that we are offering classes. You will never be charged for dates that the facility is closed.
