School Year Session : August 1st, 2025 - May 31st, 2026

Step 1: Take a Trial Class (\$10)

- If your child is new to the sport of gymnastics, coming from another facility, or they've taken a break and are looking to come back, we require a trial class to be completed.
- The coach will evaluate your child's skill level, strength, flexibility, and listening skills to determine which class they should register for.
- The \$10 trial is non-refundable; however, if you register for classes the trial becomes free and the \$10 goes towards your annual membership fee.

Step 2: Become a Member!

- In order to register for instructional classes, camp, or other selected activities- you must pay an ANNUAL MEMBERSHIP.
 - \$60 Individual Membership (1st child & 2nd Child)
 - \$150 Family Membership (3+ children)
- This membership includes discounts for birthday parties, special events, and a T-Shirt for each child! This membership covers you 1 year from the date it was paid. (Example: August 1, 2025 to July 31, 2026).

Step 3: Register for your Class!

- All classes are filled on a 1st come 1st serve basis, with currently enrolled students receiving priority registration
- Our program follows a rolling enrollment structure. You are registering for the FULL 2025-2026 school year and payments are spread out over 10 monthly installments due on the 25th of every month.
- Students who no longer wish to participate in our program may be dropped at any time with a 30 day written notice. If you notify us in the middle of the month, your tuition will be prorated for the last month attending. (Ex: If a drop is requested on 9/22, your child will be enrolled through 10/22 and you will be charged only for those 3 classes in October.)
- All students will be dropped from their class on May 31st, 2026 and will need to re-enroll for our summer session which runs June 1st - July 31st.
- Makeup Policy: We allow 12 makeups per year which will expire 1 year after being issued or when your child is no longer enrolled into our program, whichever comes first. If you need to cancel a class, simply call, email, or cancel through your parent portal before the start of your lesson. Makeup tokens will be issued and available to use once the absence occurs. You can book your makeup class up to one week in advance.

Monthly Class Tuition

Monthly tuition will be posted to your account on the 15th of every month. **All payments must be made by the 25th for the following month.** If tuition is left unpaid on the 1st of the month, your spot will be forfeited.

Monthly tuition is charged based on how many classes are in the month. As an example, if you come on Saturdays then we will charge you for the number of Saturdays in the month that we are offering classes. You will never be charged for dates that the facility is closed.
